To the officers and members of Bay View Lodge No. 109, I. O. O. F., Redwood City, Cal.: Your committee appointed to prepare resolutions of respect to the memory of our deceased brother, John W. Glennan, F. G., who departed this life March 21st, 1914, aged 72 years, submits the following:

Whereas, The angel of death has again entered the portals of our Lodge, and has taken from among us our esteemed brother and friend John W. Glennan, F. G., and has transported him to the Grand Lodge beyond, whence no traveler returns, for him darkness has melted into light, the mystery is glorified and all around is peace.

Resolved, That we the members of Bay View Lodge No. 109, I. O. O. F., extend to the bereaved family our sincere and heartfelt sympathy in the irreparable loss of a kind and loving husband and father, and we do commend them to the great Comforter who has taken him to his eternal home, and we do beseech him to grant the departed brother, that a copy of these resolutions be spread in full on the records of this Lodge, also a copy be forwarded to the bereaved family, under seal of this Lodge.

Respectfully submitted in F. L. and T. G. H. Buck, H. Steinberger, B. C. Rohr, Committee.

WANT INVESTIGATION OF MRS. TAGGART'S DEATH.

The San Francisco Coroner's jury sitting in the case of Mrs. Mary Taggart, widow of Dr. Taggart of this city, who ended her life last week, returned a verdict that Mrs. Taggart had killed herself in a fit of "despondency over financial troubles due to business transactions with one Lytton McIntosh." The jury recommended that the District Attorney investigate the transaction "as there appears to be some irregular phase connected with it in which we believe was the motive which led to the commitment of the act of suicide."

INTEREST IS GROWING IN THE FLORAL CARNIVAL.

The carnival spirit is growing in the community, and great interest is being taken in the movement to show off the floral wealth of San Mateo county, whose beautiful blossoms fill the San Francisco market. May 24, is the date fixed for the carnival. Little Miss Evelyn Frances, the beautiful daughter of Mr. and Mrs. Jas. M. Eva of Redwood Highlands, has been chosen by the committee to act as queen of the carnival. Parents are requested to decorate their children's pony carts, bicycles, express wagons, baby buggies and go carts, and decorate the children themselves and make their hearts glad by enabling them to enter the parade and win a prize.

The executive committee of the Board of Trade requests that all business houses be decorated Saturday with purple and gold, the colors of the Christian Endeavor Association, which body will meet in this city that day.

Sleeveless vests 10 cents each at Elstains.

CITY ELECTION RESULTS IN CLOSE FIGHT FOR CLERK.

Seven hundred and seventy out of the thousand citizens who had registered voted at the city election Monday, which was a good showing considering that there was but one contest—that of city clerk. Carl Plump, the incumbent, and Ray Griffin, the popular high school student, who aspired to the office, made a close fight, and until the result was announced there were no indications that either was winner. When the votes were counted Plump led by fifteen.

The vote in the different precincts was as follows:

Precinct 1—For trustees, E. H. Sampson, 170, H. C. Tuchsien 177; for clerk, Carl Plump 101; Ray Griffin, 108; for treasurer, F. K. Towne, 171.

Precinct 2—For trustees, E. H. Sampson 208, H. C. Tuchsien, 233; for clerk, Carl Plump 158, Ray Griffin, 140; for treasurer, F. K. Towne, 221.

Precinct 3—For trustees, E. H. Sampson 211, H. C. Tuchsien 216; for clerk, Carl Plump 133, Ray Griffin, 129; for treasurer, F. K. Towne, 221.

Uniform Speed Law Advocated. City Attorney Kirkbride of San Mateo states that he, with the city attorneys of Oakland and San Francisco, is engaged in preparing a uniform speed ordinance which all the cities about the bay will be requested to adopt. Under the present variations in the local regulations he said each municipality may have a different speed limit and it is impossible for motorists to avoid confusion and violations of the law. It would be to the interest of all, he thought, to agree upon regulations and act in uniformity.

All kinds of fancy linens, dollies, etc., at Elstains.

MACON, GA., CHILD

Made Strong and Well by Vinol.

When we tell you that Vinol is the best remedy in our whole stock for making weak, puny, ailing children strong, robust and rosy we are only telling you what has been proved by hundreds of mothers.

J. L. Fickling, Macon, Ga., says: "My child was very thin and delicate, no appetite, nervous, and did not sleep well. Doctors did not help her. Vinol was recommended and the change after a fair trial was wonderful. She sleeps soundly all night, has a splendid appetite and has gained in weight. I wish every mother knew what Vinol will do for delicate children."

What Vinol did for this little girl it will do for every weak and ailing child because sickly children need the strengthening cod liver elements and the tonic iron that Vinol contains—that is why Vinol builds them up quickly and gives them a fine, healthy color. It is pleasant to take and we guarantee that the results will satisfy you—money back if they do not.

CITY OFFICIAL PAPER

D. E. O'KEEFE, Editor and Proprietor

SHORTIDGE STRONG IN KERN.

Samuel M. Shortridge, one of the best known Republicans of the state and especially well known in Bakersfield, where he has delivered many an eloquent speech in the Republican cause, is in Bakersfield for a couple of days, says the "Echo" of that place, in connection with the suit involving ownership of a valuable section of West Side oil land, and is incidentally meeting prominent local Republicans and discussing with them the size of the majority by which he will be chosen as the Republican nominee for United States Senator at the coming primaries.

That Shortridge will get a big vote in Kern county is certain. In conversation yesterday he recalled that the first speech he ever made under the auspices of a political organization was when he opened the campaign for James G. Blaine in this city in 1884. Since then, Kern county has called for his services many times and has never called in vain when it was possible for him to respond. Like most other parts of California, Bakersfield likes to hear Shortridge speak, and it is good news that during the campaign which he will make for the nomination he will visit Bakersfield and give an address on Republicanism and the imperishable glory of the G. O. P.

Shortridge is one of the stalwarts who believe that the glory of the grand old party is imperishable, and he has the art of making a big proportion of his audience think so too, before he has finished an oration on that topic.

In all the thirty years since Shortridge first appeared in Bakersfield on a temporary platform erected in front of where the Scribner opera house now stands, he has been one of the principal oratorical stand-bys of the Republican party in California, but during all that time he has never asked for an office for himself. Men whom he has helped through his eloquence in the past are remembering this fact now and are getting behind the Shortridge candidacy with a fidelity that promises to bring him through a handsome winner.

COMING INTO ITS OWN.

The Republican party is coming into its own again. Having given over governmental control scarcely more than a year ago, the great mass of loyal Americans are signaling to it to come back and take up the reins again. A little more than a year ago it confronted a formidable foe and suffered from internal disloyalty. Together these forces were overpowering. Today its hereditary enemy is in the utmost confusion, that promises to develop into an utter rout and its disloyal element has subsided.

The American people are making ready to reinstate the party that brought the country through so many crises; whose ascendancy has always insured prosperity and real progress; which has ever been the champion of human liberty, the inculcator of genuine Americanism. The march of events has brought the people to a better realization of things; has dissipated fallacies, disproven calumnies and generally restored political reason to the land. Within Republican ranks apathy is giving way to enthusiasm; those who strayed are making haste to get back in the fold.

This is true of both state and nation. In California the registration tells the story. To date the registration of Republican voters does not quite equal that of Democrats and Progressives combined; but it is steadily climbing in that direction and is sure to go beyond it when the time for registration is up. This is the time for all Republicans to reassert their faith. They have been able to see what happens when they relax their hold; when indifference characterizes their fealty; when sophistries and misrepresentation are allowed to go without challenge, to influence the unwary and the unthinking. Nothing is plainer than that the Republican party of California will carry all before it this year and that it will sweep the country in 1916. All Republicans, therefore, have cause for rejoicing, and great incentive to exert themselves in fulfillment of their party duties and obligations.

CLEAN UP BEFORE YOU GO.

You are going out for a picnic some time this spring or summer. And you're going to have just the finest time imaginable in the clean green grass under the shade of a fine big tree and perhaps there will be a pretty little stream babbling along just a few feet away. My doesn't it appeal to you right now. These days are so fine. You're going pick your place because it is so fine and cool and clean. But how are you going to leave this place my friend. Will it be as clean and inviting for the next fellow and his family, or are you going to leave it littered with papers and string, cans, etc. Clean up before you go. It won't take long. You'll feel better for it and so will some one else. Clean up before you go.

Deputy Sheriff Hamilton was here Tuesday to escort James Mason, who had just finished his term of thirty days on a charge of vagrancy in the county jail. He is wanted at San Jose for the theft of a bicycle.

COUNCIL DEFINITELY DECIDES IMPROVEMENT DISTRICTS

Decided progress in the work of preparation for the summer campaign of street improvement was made at the adjourned meeting of the city council Tuesday evening. With all the members of the council present, what may be taken as a final hearing and consideration of the extent of improvements to be made west of the County road was held, with the result that the trustees emphatically determined to continue in the stand that the needs and wishes of resident property owners were to be given first consideration, regardless of the desires of speculative holders of large tracts held for speculative purposes.

Practically the entire time of the meeting, which continued until a rather late hour, was devoted to a reconsideration of this subject, which has occupied most of the time of the council for several weeks, and an end was made to delays which have evidently been a source of much annoyance to the members of the council who desire to have the work started as early in the season as possible in order that every advantage of favorable conditions might be secured. A considerable portion of the time of the session was given to a rehearing of the same old objections to the prosecution of the work by representatives of the Moxey Realty Company and the Oakwood Park Land Company. In opposition to these objections, which were made with the evident design of escaping the expense of improvement, several resident owners of property appeared and urged that the work was not only a good investment, but a pressing necessity. After listening patiently to the arguments, the trustees declined to retreat from their original position and proceeded with the necessary routine legal steps to acquire jurisdiction to order the work done.

After adopting an order to rescind the original resolution of intention, so as to clear the way for a few changes to eliminate minor unnecessary extensions, a resolution was adopted declaring the intention of the council to order the construction of curbs and sidewalks on the following streets: Grand avenue, Addison street, Redwood street, Davis street, Cleveland street and Jackson avenue. In addition to these curbs only are to be constructed on Oak avenue, Wood street, and Harrison street.

This was followed by the adoption of a resolution of intention to order the construction of an oil macadam pavement on the following streets: Grant avenue, Addison street, Redwood avenue, Elmer street, Woodrow street, Cleveland street, Blaine street, Lincoln avenue and Harrison street.

Following the adoption of these resolutions the trustees spent some time in a general discussion of the manner of doing street work, with a view of eliminating all unnecessary expense to owners of property who are compelled to have their work done under public contract. This developed the fact that much of the cost charged under the head of "incidentals" under the law, was due to engineering expenses and steps were taken to avoid as much of this as possible. City Attorney Mansfield informed the council that he had finally reached a satisfactory agreement with owners of adjacent property for the settlement of the question of the one-foot strip in Oak avenue and that all was now ready for delivery of the deeds which would conclude the difficulty which for several years had been a source of annoyance. The city attorney also stated that he had secured information, largely from private and unofficial sources, which would lead to a settlement of the question of the title of the city in Roders street.

Just before adjournment Fire Chief Winter, who has been a leading spirit in the clean up week work suggested to the council that steps be taken to require the hotels of the city to provide covered receptacles for the linings of their kitchens and dining rooms, stating that he had found conditions decidedly bad at all of the hotels. City Attorney Mansfield informed the council that the provisions of the ordinance now in force were ample and with this understanding the matter was referred to the city health officer, with the understanding that the conditions mentioned should be remedied.

Fraternal Aid Whist Tourney.

The whist tournament which was given by the Fraternal Aid Association on Tuesday the fourteenth was a success in all ways. Everyone had a jolly time and after the card game was finished refreshments were served. Then the young people danced. Prizes were awarded to the following: Gentlemen's first prize, Mr. Medford. Ladies first prize, Miss Lucile Holden. Gentlemen's consolation prize, Mr. Frank Thompson. Ladies consolation prize Mrs. Frank Thompson.

B. C. Rohr, the merchant, met with a painful accident Thursday morning while engaged in grinding coffee. He had about completed the work when he carelessly placed the index finger of his left hand in the spout of the mill, a projecting piece of steel caught the finger and nearly severed it from the limb. Mr. Rohr went at once to the office of Dr. Ross where the digit was amputated at the first joint.

THE VALUE OF "HIGH ART"

Or What Is In a Name

"HIGH ART" is the name of a make of clothing that stands for quality and value.
It is a make that is not well advertised because the manufacturers are conservative.

They believe in putting their money into tee fabric, rather than into advertising, whether they are right in doing thus is another question, but one fact is certain:

THEIR GAREENTS CAN NOT BE EQUALLED ANYWHERE.

There are a great many Beers brewed throughout our country and put upon the market under the brand of "Bohemian." For the purpose of individualizing our product and also for the reason to link it closer to the name of our plant, we have decided to re-christen our popular "Bohemian" and call it plain "Buffalo Lager."

On April 1st of this year our new Bottled Beer will be put on the market dressed in the New Label. It is our endeavor that the new label shall represent extreme care in brewing and expert inspection at every stage of production from the raw material to the packing for marketing. Only the best materials are used for the manufacture of "Buffalo Lager," which coupled with up-to-date methods in the art of brewing will present to the beer drinking public a Table Beer "par excellence."

We thank you for the many past favors received at your hands and sincerely solicit the continuance of your patronage.

IMPRESSIVE EASTER SERVICES HELD AT ST. PETERS CHURCH

Splendid Memorial to the Late James Crowe is Dedicated.

Easter services at St. Peter's Church were more than usually elaborate this year, especial interest attaching to the occasion because of the fact that the day marked the fiftieth anniversary of the formation of the parish, and at each of the three services there were usually large congregations. The floral decorations, which were especially elaborate, were of white roses, Callas and Easter lilies, intertwined with smilax.

As usual, the service of special interest was at 11 o'clock, when the Easter Communion was celebrated by the rector, the Rev. David Crabtree. At this service the music was of a high order, rendered by the young ladies vested choir of the church, assisted by the boys' choir. A particularly interesting portion of the musical service was the singing of the offertory by Miss Edna Zimmerman, who sang in splendid voice. The sermon by the rector was an eloquent and forceful review of the history of the past fifty years of the local parish life, during which he referred feelingly to the work of the pioneer rectors and laymen of the parish.

A particularly interesting and impressive event of this service was the presentation and dedication of three splendid gifts to the church. Chief of interest among these was the presentation of a massive and beautiful brass lectern, undoubtedly one of the handsomest on the Pacific Coast, by Mrs. James Crowe, given as a memorial of her husband, the late James Crowe, who for nearly the entire half century of the existence of the church had been its chief lay worker and support. In preparing for her splendid and appropriate memorial, Mrs. Crowe had taken none of the members of the parish into her confidence and the splendid gift came as a most pleasing surprise to all. In the dedication of the lectern, the rector referred most feelingly to the splendid Christian life work of Mr. Crowe, both for the church and the community in which he had so long made his home. In addition to this magnificent gift, friends of the church presented a handsome silver pyx for the communion service, the chief mover in these being Mrs. Virginia Lord.

At the evening service there was also a large congregation. At this service the sermon was preached by Rev. W. A. Brewer of Hillsborough, a son of Dr. Brewer, the second rector of the parish. This was also a most interesting discourse, dealing with the history of the parish from its organization to this time and recounting the work of its early rectors. At this service the musical numbers were also of a high order, the offertory by Mrs. Hood of San Francisco being an especially appreciated number.

On Monday evening the members of the parish celebrated their golden anniversary with an elaborate banquet at which covers were laid for 90 guests. The Rev. David Crabtree, the rector, presided at the banquet, and after a splendid dinner had been enjoyed, introduced the special guests of the evening, Bishop William Ford Nichols, the Rev. W. A. Brewer of Hillsborough, and the Rev. W. A. Darvall of Santa Clara, the latter of whom for nearly two years served the parish as its rector. The after dinner speeches of the reverend gentlemen were of an appropriate and interesting, dealing in a pleasant manner with incidents of the early history of the parish and its members.

As usual, Manager Nathorst will have some extra good programs for the coming week at the Bell theatre. One of the best of his popular priced attractions will be shown this evening, when he will show the recent pictures of the great Pendleton Rodeo for 1913-14, a wonderful set of pictures of the life of the cattleman, recently taken at Pendleton, the center of the Oregon cattle industry. These are entirely new pictures. For Sunday evening there will be an especially interesting program, which will include a musical comedy act as well as five reels of pictures, one of which will be a Keystone comedy, at 5 and 10 cent prices.

Monday and Tuesday will be extra special nights, when the Electric Film Company's special production of "Napoleon" will be shown. This is a five reel picture, dealing with the battles and stirring events of the tempestuous career of the great Napoleon and will be found of much historical interest.

Preparing for High School Play. Rehearsals for Fanchon the Cricket, the high school play to be produced at the Alhambra May 8, are progressing steadily. The play deals with the peasant life in old France and portrays the prejudice and superstition common to such people. They are overcome by Cricket, so called because she is lively and happy like a cricket. This role is carried by Thelma Knox. The unique costumes of the French peasants will greatly add to the attractiveness of the production.

Support of Friends Appreciated. I wish to express my most sincere thanks to the many residents of Redwood who so generously supported me in my campaign for election to the office of city clerk. Although defeated by a narrow margin of votes I certainly appreciate the attitude shown toward me by such a large number of local people who by their ready response showed the confidence they had in me. To any and all who in any way aided me I wish to extend my thanks.

RAY GRIFFIN.

SUPERVISORS ADOPT NEW PLANS FOR WOODSIDE ROAD

The Board of Supervisors met at the call of the chairman Saturday, April 11th, there being present W. H. Brown, presiding, John MacBain, Jos. M. Francis and D. E. Blackburn.

Consideration of the bids heretofore presented for the construction of Section 1 of the Belmont to Crystal Springs road was taken up. It was ordered, on motion of Francis, seconded by Blackburn, that the bids which were considered too high, be rejected. And the clerk was directed to return the checks to the bidders and readvertise the road.

Surveyor Neuman presented new plans and specifications for the road from Redwood City to Woodside, which were adopted on motion of MacBain, seconded by Blackburn, and the clerk was directed to publish a notice calling for bids for constructing the road, bids to be opened at the meeting on May 4th.

In order to secure more satisfactory bids, two classes of pavement are proposed, separate estimates being required on each.

Specifications No. 1 provide for a pavement of asphaltic concrete, 5 inches in thickness over the section of the road from Redwood City to the Menlo Country Club, and 4 inches in thickness for the remaining portion of the contract.

Specifications No. 2 provide for a Portland cement concrete base, 4 inches in thickness for the entire length of the contract. The wearing surface for the first section of the road is to be an asphaltic concrete, commonly known as "Topeka Specifications," one and one-half inches in thickness, and for the remaining portion of the road an asphaltic oil and screenings top one-half inch in thickness.

This contract ends at what is known as the "Old Adobe House" and includes all grading and setting of permanent culverts and drains.

The bids presented at the last regular meeting for the construction of a bridge across the Cordillera creek in the Second township, and laid over, were taken up for consideration.

An amended bid was received

SOUTHERN PACIFIC GIVES YOUNG WOMAN REWARD.

Mrs. Minnie Cole, the sister of George McNulty of the Tacoma Mill Company, and well known in this city, this week received a check for \$5000 from the Southern Pacific Company as a reward for assisting in the capture of Ralph Farris, or John Bostick, who robbed a train near Los Angeles in November and murdered a passenger. Mrs. Cole had just been married and was on the train on her wedding trip when the crime was committed. Both she and her husband were relieved of their valuables. Some weeks afterwards while walking along Mission street in San Francisco with her husband, she met Farris and positively identified him as the murderer-robbler. She notified the police and he was arrested.

Farris was tried at Los Angeles, confessed his guilt, was convicted and was sentenced to death. His case has since been appealed to the Supreme Court.
